Psalm 23

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: he leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the paths of righteousness for his name sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies: thou annointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

The Beta Club is a non-profit, leadership – service organization for high school students who have maintained a scholastic average of ninety or above. The purpose of the club is to stimulate interest in the school and the community. This year Owen's chapter of the Beta Club inducted thirty-eight new members into the organization at a banquet at the Holiday Inn West. Along with the twenty-two senior members, the club's enrollment is the largest in its history. The Beta Club's projects for this year included the donation of money to the Industrial Home for the Blind. There are tentative plans for a "Spring Carnival" for which the proceeds will be used to help defray expenses of members who plan to attend the State Beta Club Convention, to be held this April in Raleigh. The Beta Club encourages all students who are eligible to join to do so. To be a member of this organization is a great honor that will continue to be recognized beyond high school.

Bible Club

Mary Kiser–Sponsor

The Bible Club promotes the spread of the gospel of Peace and the knowledge of the love of our Lord Jesus Christ, presenting an opportunity for fellowship. This club was organized by interested students and is sponsored by Mrs. Kiser. Everyone is welcome.

Members are kept up-to-date on modern agricultural techniques, and are given practical experience in applying these techniques. Participation in public speaking and parliamentary procedure contest is also promoted by the F.F.A.

French Club

The French Club began its year by becoming better acquainted with French ballgame called Bull, in which the player tries to roll a small ball as close as he can to a larger ball without hitting it. The one who comes the closest is the winner. In December, we visited a French class at Warren Wilson College, which we found to be very interesting. We had a Christmas meeting later in December, at which we talked about French Christmas customs and sang French Carols. We are now making plans for a Valentine Party to be given at Dogwood Manor for the elderly people there, and a May Day Festival to be given to Patients at Highland Farms.

Owen High Educator In Running For State Teacher Of Year Award

By MARY COWLES
Citizen Staff Writer

It came as no surprise to the students of Mrs. Coila King of Charles D. Owen High School that she had been selected teacher of the year in the 15-county western district and is now in the running for the state title.

What would surprise them would be her failure to be named North Carolina teacher of the year for they've been convinced all along that she's tops.

Mrs. King, who will compete against winners in 14 other districts for the state title in Raleigh Monday, has been special education teacher at Owen High since 1967 and the assignment was her choice.

Her previous training hadn't pointed toward this type of teaching career, for she majored in geology at the University of Redlands in Arizona and had taught science for four years.

But once in contact with students in the special education classes, she saw this area of teaching as a way to "pass on to them the love my Creator has for me" and she has approached her work from this point of view ever since.

Which very likely is the reason students ask to be placed in her classes, including some who don't actually need her help.

MRS. COILA KING

courages all of her students to attend regular classes when possible.

Sometimes she will have a student for one period in English only; another will need help in science and she will have one or two in history.

Sometimes a child will need a credit when there is no elective he can fit into his schedule and in such a case, she gives him a course in vocational training, teaching the things he will need to get a job.

Her students range in age up to 21 years and she has two for

Mostly, she says, they work on their own. And recently one of her students has asked, and obtained, permission to tutor a younger classmate and so successful have his efforts proven that it has been decided to give him a credit for the work.

Mrs. King lives half a block from the school and encourages the students to come to her home when they need her. Students with special questions come by and occasionally former students come to see her.

The teacher of the year contest is sponsored by Encyclopedia Brittanica, Ladies Home Journal, Council of Chief State School Officers, the State Department of Public Instruction, State Congress of Parent-Teacher Associations, in cooperation with the North Carolina Association of Educators and the Association of Classroom Teachers.

Mrs. King will be accompanied to Raleigh Monday by Jeter Robinson, associate superintendent of Buncombe County Schools; Charles Lytle, principal of Owen High School; Burnace Roberts, district president of the Association of Classroom Teachers, and—if she can persuade him—her husband, Robert King, graduate student at Western Carolina University.

Contestants and school representatives will attend a luncheon at noon at the Holida

Spanish Club

The Spanish Club was "muy ocupado" this year. Officers were elected at the first meeting and include:

Beverly Mink, President

Donna Pate, Vice-President

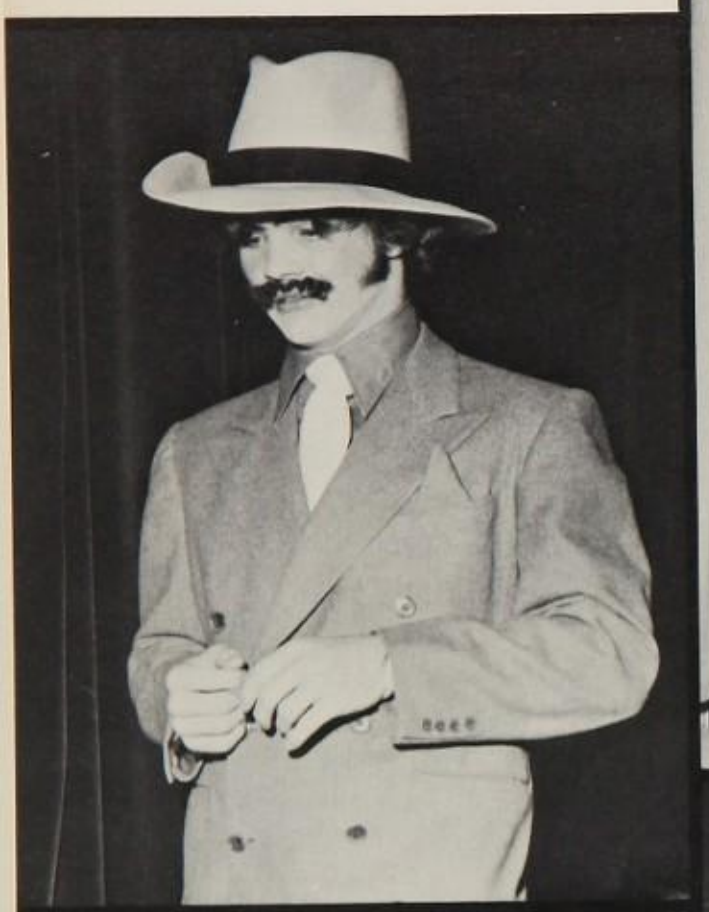
At Christmas – what else? – the club had a Christmas party, observing Spanish customs. During the year there were Latin American guest speakers, Spanish films and skits performed by club members. A Spanish banquet was the Spring highlight.

OFFICERS

Library Club

The Owen High School Library Club was organized in the Fall of 1971, and became affiliated then with the District and State North Carolina Library Associations. The club is made up of Library Science students. The purpose of the club is to increase pupil interest and participation in school library and audio-visual work; to promote better understanding and cooperation between local and state high school library clubs; to attract capable pupil library and audio-visual assistants and to arouse interest in the study of librarianship and audio-visual coordinator as a profession.

The club meets the first and third Tuesdays of each month. One meeting is a business meeting and the other is a program meeting. The club plans projects, such as, making a donation of money to the Newsweek Talking Magazine for the Blind; taking field trips to near-by College Library–Media Centers; sponsoring a student talent show; making a scrap book of the club's yearly activities; Christmas projects such as giving books for Christmas gifts and reading to older people and to real young people. We have varied programs, such as guest speakers, book reviews, musical entertainment, viewing films of what the Library-Media Centers of the future will be like.



In January the English Play Production classes presented four one-act plays to the school and community as completion of nine weeks of study. They were as follows:

"The Widow"

"The Great Western Melodrama"

"The Hitchhiker"

"Capricious Pearls"

HONOR STUDENTS

The 1974 Senior Class had twenty-six honor graduates – students who maintained an "A" average for four years. This is more than a 2 to 1 ratio over any other graduating class of Owen High School. Over one-third of the class graduated with a "B" average. Congratulations to these students and the class of 1974!

Health Careers Club is what we hoped it would be but never thought it could be. We are a circle formed by love. Our members care for others and show it. The purpose of our club is to find where we want to share this warmth and love. A few of our experiences were: A booming Christmas Party at the Childrens Orthopedic Hospital with Santa; blood pressure day with bulging biceps; and creating dogs donated to a hospital (21,600 pieces of string, hand tied totaling 200 hours of work). By helping others and working hard together we as a circle have become very good friends.

OFFICERS: Joey Wheeler, Charlene Burgess, Ray Biggs

DECA

The Distributive Education Club at Owen serves to supplement the instruction which the students receive in class and in their on-the-job training. Various capabilities are developed among members which attribute to knowledges and attitudes required of those students engaged in the marketing and distribution of goods in our society.

OFFICERS: David Silver, Sergeant-at-arms; Terry Dalton, Vice President; Jon Hall, Secretary; Kim Martin, Treasurer; Miss Sally McDuffie; Steve Sawyer, President.

Chess Club

This year's Chess Club was one of the most involved group of Chess players ever to assemble at Owen. Playing among themselves was not enough, so tournaments with other schools were a must. Led by Chess Club president, Steve Sawyer, Owen always finished in the top contenders.

The Chess members, ever willing to serve their sponsor, Miss McDuffie, responded to the need for money. On January 10, the male Chess players played a benefit basketball game with WLOS-TV.

The name of the game was Chess, and here at Owen, we have the best.

The 1973-1974 school year and its
happenings ARE behind us, yet they will live in our minds and in our hearts for many years to come. It is the happenings – the joys, sorrows, laughter, and tears of THIS year's events, those behind us, and those before us, that make us the individuals we are. Now it is time to close this year, only to open the door to a brand new one with NEW happenings and experiences that will make or break us. Nevertheless, we press on to new adventures – new growth, maturity, wisdom, love, and honor. We move toward GREATER happenings in 1974, 1975, 1976 . . .

> ". . . I have not yet reached perfection, but I press on, hoping to take hold of that for which Christ once took hold of me . . . I press towards the goal to win the prize which is God's call to the life above, in Christ Jesus."
